## Summer School

Summer School begins on June 2 and ends June 27. Enrollment for summer school will close April 25. There is a \$20 activity fee to pay for the four field trips.

## Summer Library Program

Don't forget about the summer library program run by Mrs. Moore! Our library is open to the community throughout the summer, and she brings in guest speakers and has fun activities for kids to participate in! For more information, please contact Mrs. Moore at [smoore@cjl.org](mailto:smoore@cjl.org)!

## Teacher Appreciation Week

Teacher Appreciation Week is May 5-9. Please encourage your children to say a special "thank you" to their teacher sometime during the week.

## Message from Nurse Paige

Any medicine will need to be picked up by a parent or an adult by the last day of school. Any medicine left will NOT be sent home with students for safety reasons and will be disposed of properly. THANK YOU!

Also, don't forget to notify the school nurse of any changes to medical information, including new immunization records if any immunizations are received."
