

FAQ For Student Selected by Board to Apply For The Missouri School Boards' Association Student Scholarship (John T. Belcher Scholarship)

What is the Missouri School Boards' Association Student Scholarship?

Each year the Missouri School Boards' Association's Foundation (FutureBuilders) awards \$18,500 in scholarships to students in MSBA's member districts. A winner is selected from each of the 17 MSBA Regions and one overall State Winner is selected. Each regional winner receives a \$1000 scholarship and is automatically eligible to compete for the statewide winner who receives an additional \$1500. The scholarship is non-renewable.

Who is eligible to apply?

The school board of each MSBA member district is eligible to nominate one high school senior to apply.

Are K-8 school districts allowed to submit applications for high school seniors who attended their district?

Yes, if the K-8 school district is a member of Missouri School Boards' Association, they may select a current senior who attended their district prior to high school.

How does the local board select its applicant?

The process for the selection of the applicant is a local decision. Some boards ask students to submit an application; write an essay; and/or be nominated by a school counselor. The local board may use any or all parts of the official MSBA scholarship application in its process.

The deadline for selecting the applicant is December 20, 2024. This means the board must select the applicant at one of its fall meetings (September-December, 2024). Please see the question about Important Dates below.

What do the local boards need to do once their student applicant is chosen?

Once the board selects its applicant, the contact information for the student should be sent to Caitlin Whaley at MSBA (whaley@mosba.org). Please include the **student's personal email address**. Often times the school district student's email address is protected from outside emails.

How does the student applicant submit their application?

Once MSBA receives the contact information for the student applicant, MSBA will send a secure link that will take the student to the Kaleidoscope Scholarship Management site and they will complete the application online. **Only online applications will be accepted.**

What is included in the application?

The application contains three parts.

- A series of questions regarding the student's academic progress and future goals.
- A copy of the most current transcript (more than likely, the transcript will reflect the student's 9th-11th grade information)
- A 500-700 word essay on one of three prompts. Each essay will be evaluated for its authenticity using AI (Artificial Intelligence) software.

How are the scholarship applications evaluated?

Each of the 17 MSBA Regions is represented by a Regional Executive Committee composed of board members from local area schools. Using the Missouri Student Scholarship (John T. Belcher) Rubrics, the members of these Committees will select one Regional Winner.

How will students be notified if they have been selected to receive the scholarship?

All applicants will be notified, both winners and non-winners, by MSBA via email. The superintendent, board president, board secretary and school counselor will be included in the notification.

How will the State Winner be selected?

All 17 of the Regional Winners are eligible to be considered for being selected as the State Winner. Each Regional Winner's application will be evaluated by the members of the MSBA's Foundation using the same rubrics used in selecting the Regional Winners.

How will the Regional Winners be recognized?

Each Regional Winner will be recognized at a local board meeting in the spring. A representative from the Regional Executive Committee will present a certificate to the student.

How will the State Winner be recognized?

The State Winner will be recognized at an awards luncheon at the MSBA Summer Summit in June, 2024.

How will the winners receive their scholarship monies?

The Kaleidoscope Scholarship Management Company will disperse the monies directly to the students' selected institutions of higher education.

Who do I contact with any questions or concerns?

Please contact Caitlin Whaley (whaley@mosba.org) or 573-507-3960.
